This boxwood is propagated from cuttings made from select specimen plants in perfect condition, ranging from 50 to 150 years old, growing on the grounds of the old Southern Estates in North Carolina and Virginia.

This is one of the largest stocks of boxwood in America, and will please you.

Charges made for packing small orders.

Laurel ready for shipment

Our equipment for moving trees, etc.

Five Sempervirens moved and planted by us
22 feet high with 18 feet spread

Boxwood

List of Collections for Fall 1925 and Spring 1926.

The locating and buying of these plants brings one intimately in touch with the romance and history that is associated with a plant that survives through centuries. We have any size that one could want. They range in size from four inches to sixteen feet, with equal or greater spread.

We are in a position to quote on any size orders; planted, f. o. b. cars or where the boxwood now stands. Let us quote on your requirements.

The following are among those who have recently had shipments from us. They find it the most satisfactory way to save time.

William du Pont, Jr., Wilmington, Del.
Harry G. Haskell, Wilmington, Del.
Wm. J. Gray, Washington, D. C.
Mrs. Ranold Tree, Greenwood, Va.
Harold Lehman, Tarrytown, N. Y.
Carll Tucker, Mount Kisco, N. Y.
Vincent Astor, Port Washington, L. I., N. Y.
Mrs. E. Martimer Barnes, Glen Head, L. I., N. Y.
Mrs. H. B. du Pont, Ardmore, Pa.
John W. Minturn, Syosset, L. I., N. Y.
James B. Neal, Easton, Pa.
Fred W. Sparks, Mount Kisco, N. Y.
Carl Schmidlapp, Mill Creek, L. I., N. Y.
Ralph Hicks, Westbury, L. I., N. Y.
Mrs. Beatrice Farran, New York City.
Mrs. Annette H. Flanders, New York City.
Mrs. Ellen Shipman, New York City.

LET US HAVE YOUR REQUIREMENTS
